The Beautician Certificate Course For The Academic Year 2019-20

Learning outcome of beautician Course

Modern age is an arena of short-term courses which culminate in immediate economic benefits which help the girls of women's college. Many girls come from poor economic background. Degree may enhance their intellectual abilities but will not bring income. Those who undergo for beautician course of 3 months duration, will end up as trained, professionals who work cosmetology related services. Self-love is common to all communities irrespective of Caste, Colour, Creed, sex and gender. We trained them in the field of beauty, skincare and makeup. Now every common villager's marriage requires a beautician with a makeup set. This course will make them to end up as a trained beautician.

They can work as owners of a beauty parlour or work as a makeup woman in parlours. Now in every village we find a beautician not only for festive occasions but for regular face wash. Aesthetic sense has developed among village young girls. They are ready to spend their saved money for skin care and body care.

This course may not bring bright prospectus to the stake holders of our woman's college. Having learnt the importance of the course, we conduct a beautician course every year. After globalization and increased awareness among woman with the onslaught of Television, and mobiles, women developed asthetic sense. In Indian women population out number men's.

The beauty and make up industry in India is growing three times faster than America & Europe. There is abundant scope for girls who dare to take up this profession for economic upward mobility. This course is excellent Lucrative profession.

We are encouraging and instigating and forcing to practice as beautician as a certain slant of stigama is attached to this profession in rural areas. Some of them are economically well off by practicing this profession. They are working in various capacities as makeup artists. We advised by counselling that they should not listen to the words of parents who go by custom and traditions. They discourage that it is not a good profession for their daughters as it may damage their personality in not bringing suitable bridegrooms. The beneficiaries of this course thinking opening

1. Beauty Parlour
2. Skin Clinic
3. Hair Salon
4. Hair stylist
5. Makeup artist
6. Fashion show stylist

This course will end up in bringing self-reliant and independence among them, which in turn make them economically strong to certain extent.

2019-20

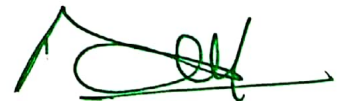

Basic^{of} Computer Course

Summary Report:

The course introduces you to fundamental 'Computer Literacy' concepts. You will learn to use Windows on the PC-compatible computers as well as MS Office, which has the following applications: word processing program (MS Word), a spreadsheet program (MS Excel), a presentation program (MS PowerPoint) and Database (MS Access). Windows 7 will be used to illustrate operating system concepts and disk organization. This class is intended for students requiring 'hands-on' knowledge of computer applications.

Course Objectives:

1. Give students an in-depth understanding of why computers are essential components in business, education and society.
2. Introduce the fundamentals of computing devices and reinforce computer vocabulary, particularly with respect to personal use of computer hardware and software, the Internet, networking and mobile computing.
3. Provide hands-on use of Microsoft Office applications Word, Excel, Access and PowerPoint. Completion of the assignments will result in MS Office applications knowledge and skills.
4. Provide foundational or "computer literacy" curriculum that prepares students for life-long learning of computer concepts and skills. Completion of course fulfills pre-requisite to enroll in other computer science courses required for a certificate.
